

## **Application for Solidarity access at Satyam**

Thank you for applying for our Solidarity Rate. At Satyam we are committed to creating an inclusive environment where people are able to access the offerings at our centre despite financial or other barriers.

Our Solidarity Rate is designed for people who have experienced barriers in life with regards to their health and wellbeing, educational and employment opportunities, social isolation or exclusion. This may have been based on marginalising factors such as ethnicity, disability, class, gender, sexual orientation or health and other background issues.

Please tell us a bit about yourself below so that we can ensure our solidarity access is going to where it is most needed. Thank you.

Name:

Age:

Pronouns:

Ethnicity:

Employment (past & present):

Current income:

Educational background:

Qualifications/ Certificates:
